WRECKED WITH DYNAMITE

The colored Odd Fellows hall and meeting place for the Royal Order of Joseph, at Arvonis, Va., was wrecked with dynamite at an early hour yester-day morning. The building is located das morning. The building is located in the extreme western section of Arlive. Great preparations had been in progress for several days for a sort of feast or field day at the hall and on the feast or field day at the hall and on the lot is which the hall is situated. It was evidently the purpose of the unknown persons who applied the dynamite to have the spectacle of a scattered mass of ruins ready for the crowd when it assembled yesterday. As it was, the building was badly damaged, but is still left

The explosion occurred about 3 or o'clock. Everybody living in the immediate section was awakened and many of the colored people ran from their romes, thinking the shock an earthquake.

The colored people connect the st-tempt to blow up the building with the trouble which occurred at the place on the Fourth of July, when in a drunken rict some negroes and white men had a disturbance. At the time double haves disturbance. At the time double-barrel-ed guns were brought out and bloodshed was narrowly averied.

Bert Rarber, of Elton, Wis., says: "I have only taken four doses of DeWitt's Kidney and Bladder Fills and thay have Jone for m-more than any other medicine has ever done." Sold by W. F. Creighton & Co.
